

Children Helping Children Read-A-Thon

Tomorrows Children's Fund

Hackensack University Medical Center

Dear Students and Parents,

Thank you for joining the Children Helping Children Read-a-Thon for the Tomorrows Children's Fund. By reading, you will learn many new things and enjoy wonderful stories. Tell your family and friends about the Read-a-Thon and ask them to make a donation for your reading. Have your donors fill in the pledge sheet on the back of this message, then collect their money and return it to your teacher in an envelope marked with your name.

Every student who participates will receive a small "thank you" gift from our foundation. Students who raise \$35 or more will receive a Children Helping Children tee shirt. While the gifts may be an incentive to read, we hope the students will receive more satisfaction knowing that they have helped other youngsters who are fighting cancer or a blood disorder.

All money raised from the Read-a-Thon provides support to our Child Life Program. Thank you in advance for your cooperation.

Kathy Ambrose
Administrative Director
